

GRADE 12 ALTERNATIVE ATTENDANCE FORM (FOR 5/2/19)

March, 2019

- On May 2, our 9th, 10th, and 11th grade students will be undergoing State required End-Of-Course testing at Xenia High School. In the spirit of uniting our students with different local organizations, and giving our Seniors the opportunity to pursue both college and career post-secondary options, Senior students will be permitted to select one of the activities noted below instead of attending school for this day.
- Seniors can choose to (1) participate in a local volunteering opportunity, (2) job shadow with parents, friends, or relatives, (3) do a last minute college visit or (4) complete independent work/studies. This is an exciting opportunity for our Senior class to connect with organizations and show what our students can do for our community.
- Parent/Guardian is responsible for monitoring student.
- Grade 12 students will be considered non-absent from Xenia High School on May 2, 2019 if the following criteria are followed: 1. The form is signed by both the student and parent; 2. An activity is selected; and 3. The form is returned to school and placed in the box labeled "Grade 12 Alternative Attendance Forms for 5/2/19" by May 1, 2019.
- If your Grade 12 student is absent without selecting an activity and submitting the form, they will be considered absent from school.

The form below must be returned to XHS, signed by the student & parent, any time on or before *May 1, 2019*. The signed note should be placed in the box noted "GR 12 Alternative Attendance Forms for 5/2/19" on the Security Desk in the Main Lobby.

GRADE 12 ALTERNATIVE ATTENDANCE FORM (FOR 5/2/19)

Student's Name _____ Student Signature _____
